

VISHWAKARMA
UNIVERSITY
Maximising Human Potential

To
Pooja Pansare,

Date: 13/10/23

I am thrilled to extend this appointment letter to you as a Co-Founding Member of the Visionary Club at Vishwakarma University. Your unwavering dedication, innovative spirit, and collaborative mindset have been instrumental in laying the foundation for our club's inception, and I am confident that your continued involvement will be pivotal to our future success. As a Co-Founding Member, you hold a special place within the Visionary Club, contributing not only to its establishment but also to its ongoing development and growth. Your passion for technology and your commitment to fostering a supportive and dynamic community will help shape the club's culture and drive its mission forward. Your responsibilities as a Co-Founding Member will include collaborating with the President and fellow Co-Founding Members to define the club's vision, mission, and core values, actively participating in the planning and execution of club activities, events, and initiatives, serving as ambassadors for the Visionary Club within Vishwakarma University and the broader community, providing guidance and support to club members, and contributing to strategic decision-making processes. We are grateful for your dedication and excited to have you as a Co-Founding Member of the Visionary Club. Together, we will build a thriving community of technology enthusiasts and make a meaningful impact in the field of technology. Congratulations once again, and welcome to the team!

Warm regards,

Visionary Club
Vishwakarma University

Dr. Pratibha Mahajan
HOD of Artificial Intelligence

Dr. Nitin Satpute
Dean of Science and Technology
